

# Professional theatre technicians/artists for your students at no cost to you!

## TECHNICAL THEATRE SUPPORT PROGRAM

S. T. A. G. E.

a unique  
**Corporate Sponsorship Program** opportunity  
unlike any you've seen before,  
that connects  
high schools with  
entertainment industry companies,  
and supportive individuals,  
who want to  
**support technical theatre education.**

### BECAUSE...

**Education** funding is at an all time low.  
**Theatre Arts** are particularly underfunded.  
**Technical theatre** is often overlooked.

**Yet our schools won't provide funding for professional technicians and artists!**

**Entertainment industry employees** are highly skilled professionals, yet high schools won't fund theatre programs, trivializing our vocation as *playing in the theatre.*

### What is a Guild?

A professional association where **merchants** aid the enduring practice of their craft and trade through funding self-employed **artisans**, who then impart the technology, arts or mysteries of their crafts to **apprentices and students.**
